Bring a photo to share and discuss with the group.

Bring food and drinks to share.

Fete planning has begun, so when you are pruning and dividing, please pot up a few cuttings and plants for the garden stall. We have agreed to have a "quality" clothing stall, so when you are sorting out your wardrobe, please keep this in mind. Also items for the Trash'n'Treasure. If you have any brilliant ideas for the Fete, please let your Warden know, so that we can consider them.

WWW.COM – Articles, photos of events to be sent to Margaret Gibson **by July 29th** in preparation for the next edition of the Parish magazine. Please note that articles must be short and precise and must be relevant to the congregation for information about local events.

Dear people of WWW

We have a lot of our loved people battling sicknesses and injuries at the moment, and also some people about to head away to enjoy the warmer parts of our country, and also some returning (Travelling Blessings to you, stay safe!)

I think we often walk a fine line between not wanting to be nosy, and respecting each other's privacy and yet also wishing to connect with each other – especially when people are sick and unable to attend church.

It is with these thoughts in mind that I gently ask that if you are unwell and have not been contacted by someone from the pastoral care team or myself, that you please call and let us know how you are going and if you would like a pastoral visit.

I think keeping in touch is vitally important to us as a caring church, nothing shows people that we care, more than a phone call or visit when we are sick or unable to travel easily. Please know that I will gladly come and visit whenever needed regardless of the time of day or night, I find it a great honour to be asked – I won't outstay my welcome though!

Services resume at St George's next month, with the first service falling on Sunday the 5th of August at 8am.

Every Blessing, Paul Hobby.
