### **My Dear People of WWW**

The biblical image within the gospel when Jesus speaks about his love for Jerusalem is exactly how sometimes I feel when I minister throughout the Diocese and think about all of you. When Jesus speaks about the hen that gathers her chicks under her wings, I want to utter the words... "My dear people of WWW, how I long to put my arms around you!"

I say this, because in the true sense of the word, since May, we have only appeared periodically, at least once a month to exercise a ministry of availability and presence. Since moving from the Rectory and being full time in the Diocese it has created a wonderful opportunity to come alongside the many who often feel like 'sheep without a Shepherd'. I say this because up until recently I have travelled all over the Diocese and especially to places where there is no resident Priest. Even when I stand in these places of worship, I sometimes just long to be with all of you but thank God that Paul is here to lead and guide you.

I will be with you next week and maybe just as Paul's mentor the week thereafter, but definitely a Sunday in November and December.

Looking forward to seeing you all soon.

**Clarence E Bester**
