Dear People of WWW,
As advised, Fr. Clarence and I will be away on retreat next week. I thought I would write a little about the retreat. Firstly, the location for the retreat is Pallotti College, which is just outside Millgrove, near Warburton. For more information please see the web address, <http://pallotticollege.com.au>, it takes around three hours’ drive from Wangaratta. This year will be my third retreat, and I must say that I am really looking forward to attending. The retreat, for me, offers a wonderful time of reflection and rest, a time to lay aside the day to day pressures and worries of ministry. I know last year, I felt that I was able to connect with God more deeply than usual. We often forget that we need an ample amount of time, where we can pray, sit quietly and allow God to speak deeply into our souls, especially when we have deep questions to ask of God. As Fr Clarence alluded to in his sermon, ours is a microwave age, where we get used to having everything right now, but life is more than this!

And God seldom answers our
questions in 30 seconds.

Every Blessing, Paul Hobby
